

We're recruiting: Audit Senior

The role

- Working alongside Managers and Partner-level team members on audit engagements.
- Leading audits with team members in a timely manner delivering planning, fieldwork and completion.
- Advising clients on audit matters in conjunction with Partners, confidently communicating with client staff members including Directors and CFO's.
- Managing the audit requirements for a growing portfolio of clients.
- Building relationships with existing and new clients to support the firm's growth and success. Supporting audit tenders for new business
- Developing and leading a team of junior members.

The person

With a demonstrable history of working in audit and leading engagements for a variety of clients, you will be a good communicator and someone who has a passion for audit with the desire to progress. The growing nature of our audit portfolio means this role suits someone looking to advance quickly and develop with the firm. Clear progression opportunities are available to the right person.

You will be ACA or ACCA qualified with full UK working rights.

The firm

A growing audit practice with locations in Oxford and Witney. The professional team supports 9 partners across the wider firm. The newly created specialist audit practice is seeking to grow rapidly, offering clear career progression to the right candidate. With nearly 100 years of experience in accounts, tax, and audit services, the firm is committed to supporting professional development in a friendly environment that promotes work-life balance.

The benefits

- Competitive salary - £35,000 to £45,000 per annum
- Flexible working arrangements – 2 days a week in the office
- Access to employee pension scheme and employee assistance program
- 4 additional firm wide annual leave days and day off for your birthday
- Choice of offices to work from
- Mentoring and support from Partners
