

We're recruiting: Accounts Senior

The role

- Supervising work on a varied client portfolio which consists mainly of companies, but also includes partnerships, sole traders and personal tax clients. This will include overseeing client deadlines and helping the team to prioritise their workload
- Preparing and reviewing of statutory accounts in accordance with FRS 102 and IFRS
- Preparing and reviewing of management accounts, bookkeeping services, VAT returns and corporation tax returns
- Preparing and reviewing of self-assessment tax returns
- Providing tailored business advice and consultancy services to help clients with tax planning, financial strategy, business growth, restructuring
- Developing relationships with new and existing clients, becoming a regular point of contact for their needs
- Assisting with the training and development of juniors
- Utilising accounting software and stay up-to-date with advancements in accounting technologies
- Identifying opportunities to improve internal processes, drive efficiencies, and enhance client service

The person

With practice experience you will be either ACCA or ACA qualified with a broad knowledge of accounts and tax. Preferably you will have at least two years post qualification experience with a strong understanding of UK accounting standards, tax regulations, and compliance requirements.

You will be a good communicator and someone who has a desire to progress, as well as a keen interest in providing an excellent and efficient service to clients. The growing nature of our firm means this role suits someone looking to advance quickly and develop with the firm. Clear progression opportunities are available to the right person.

The firm

We are a well-established general practice accountancy firm that offers a broad range of accounting, tax, and advisory services to a diverse client base. Our clients include small, medium and large sized businesses, as well as individuals and partnerships, across various industries. Our firm prides itself on delivering exceptional client service and practical financial solutions. The professional team supports 9 partners across the wider firm.

The benefits

- Competitive salary
- Flexible working arrangements – at least 2 days in the office
- Access to employee pension scheme and employee assistance program
- Rapid progression opportunities
- 4 additional firm wide annual leave days and day off for your birthday
- Mentoring and support from Partners
